Short CV – Henrik Gislason

Degrees

- MSc, (Cand. scient.), University of Copenhagen, Denmark (1978).

Positions

- Scientist, Danish Institute for Fisheries and Marine Research (DIFMAR) (1978-1983).
- Consultant, Instituto de Inv. Pesq., Maputo, Mozambique (1983-1984).
- Scientist, DIFMAR (1984-1991).
- Senior scientist, Danish Institute for Fisheries Research (DIFRES) (1991-1996).
- Professor, Marine Laboratory, University of Copenhagen, Denmark (1997-2003).
- Professor, DIFRES/Section for Population Ecology and Genetics, National Institute of Aquatic Resources (DTU Aqua), Technical University of Denmark (since 2003).

Research area

Fish community analysis and modeling, with special emphasis on fish life history, species interactions and coexistence, natural mortality, size structure, and species diversity.

Distinctions and awards

- Most Outstanding Paper. ICES Symposium on Multispecies Models (1989).
- Otto Mønsted Foundation (Travel scholarship, 2011).

Memberships of scientific committees, 2006-present

Member of the Danish National Council for Oceanology (since 2001); Member of the Board of the Nordic Marine Academy (2004-2010); Member of the Scientific Panel for Developing the Bibliometric Research Indicator for Biology (since 2008); Alternate member of the ICES Science Committee (since 2009).

Review, 2006-present

- Mid-term evaluation of Norwegian Aid to the Fisheries sector of Mozambique (2008); Evaluation of research proposals for the Portuguese Research Council (2011).
- Review of manuscripts for various journals e.g. ICES Journal of MarineScience, Canadian Journal of Fisheries and Aquatic Sciences, Proceedings of the Royal Society, Deep Sea Research, Ecology, Journal of Applied Ecology.
- Member of the PhD committee for Life Science, Technical University of Denmark.

Peer reviewed journal publications: 45. **Books and book chapters:** 4. **Reports:** 9. **International conferences:** 15.

Advisory tasks, 2006-present

Member of the Technical Advisory Board of the Marine Stewardship Council (2005-2008); Member of various advisory related ICES WGs.

Supervision of PhDs, 2006-present

Six.

Grants, 2006-present

- Danish Research Council for Technology and Production: Fishnet (2005-2012; coordinator).
- Danish Ministry of Food, Agriculture and Fisheries (Marine Research Program 2006): Modelling the impact of climate on sprat and sandeel (ModRec) (2006-2009; grant holder and principal scientist).
- Danish Council for Strategic Research: Sunfish (2008-2012; grant holder and principal scientist).
- EU FP6 Network of Excellence EUROCEANS (2005-2008; PI) and EU FP7: Vectors (since 2011; PI).

Other activities

Chairman of the Board of the Institute for Fisheries Management and Coastal Community Development, Hirtshals (2002-2007); Member of the Advisory Board of the Centre for Innovative Fisheries Management, Aalborg University (2007-2010); Chairman of the Danish Network for Aquaculture and Fisheries Research and the associated research network and PhD programme in fisheries biology 'Scaling – from Individuals to Populations' (SLIP) (since 2001); Chairman of the Study Board of DTU Aqua (2009-2011); Member of scientific steering committee for ECOKNOWS (since 2011); Course organiser of PhD courses (2006, 2009 ongoing); Course responsible for Fisheries Biology, Univ. Copenhagen (1997-2008) and Fisheries Ecology and Asessment, DTU (since 2009); Supervision of 7 master students (since 2006).
