

## **Nazila Kamaly, MSci, PhD**

DTU Nanotech, Building 423, DK-2800 Lyngby, Denmark

Nationality: British. Email: [nazk@nanotech.dtu.dk](mailto:nazk@nanotech.dtu.dk) Tel: +45 258152

---

### **EDUCATION**

---

**Sep 2004 – Feb 2008** Imperial College London, Department of Chemistry, London, UK  
*PhD in Bioorganic Chemistry*

**Sep 1998 - Jun 2002** University College London, Department of Chemistry, London, UK  
*MSci in Medicinal Chemistry*

---

### **POSITIONS**

---

**Jan 2016 – present** **Technical University of Denmark**  
**Department of Micro and Nanotechnologies, DTU Nanotech, Lyngby, Denmark**  
Associate Professor of Nanoscience. Head of the Bioinspired Nanomaterials Group

**Nov 2013 – Dec 2015** **Harvard Medical School**  
**Laboratory of Nanomedicine and Biomaterials, Boston, USA**  
*Instructor (Faculty)*

**Jan 2011 – Oct 2013** **Harvard Medical School, Laboratory of Nanomedicine and Biomaterials**  
**Brigham & Women's Hospital, Boston, USA**  
*Postdoctoral Research Fellow*

**Feb 2011 – Dec 2015** **Massachusetts Institute of Technology**  
**Koch Institute for Integrative Cancer Research, Cambridge, USA**  
*Postdoctoral Research Fellow*

**Oct 2009 - Dec 2010** **Imperial College London**  
**Department of Chemistry and Comprehensive Cancer Imaging Center, London, UK**  
*Research Associate*

**Oct 2007 - Oct 2009** **Imperial College London, Imaging Sciences Department**  
**Medical Research Council (MRC), Hammersmith Hospital, London, UK**  
*Postdoctoral Chemist*
